Best way to reach me tonight is at Ex. 6 - Personal Privacy We'll figure it out if someone needs to be there Monday but if it's certain that CNN is coming we should talk as we have concerns related to access and permission. Just got off the phone with Trish and she has a potential recommendation for a resident that CNN may be able to film but not for Monday. Thanks.

Mick: please give Helen, Walt or me a call - Trish is on the way back and hasn't yet connected with CNN Producer to work out logistics for their filming. She wasn't planning on going back to Dimock on Monday, but Bill's note indicates that CNN was going to show up then. If Trish can't make it we will try to get someone there, but need to know it's going to happen. Please let us know so we can make arrangements.

Thanks

Ron
